

Workshop RE: Intro to Educational Technologies

Instructor: Keri Jenison

kjenison@jwu.edu

September 29, 2010: 4:30pm – 6:30pm

Collaborative Communication Tools for the Classroom:

1. **Wiki** - a collaborative web space (website) where anyone can add content and anyone can edit content that has already been published.
 - a. Free Wiki Sites: <http://www.wikispaces.com> or <http://www.pbworks.com>
 - b. Wikispaces Help: <http://help.wikispaces.com/Editing+a+Page>
 - c. PB Works Help:
 - i. Educator examples/resources: <https://educators.pbworks.com/>
 - ii. How To's: <http://pbworks.com/content/supportcenter>
 - d. Using a Wiki – <http://jenison.wikispaces.com>
2. **Blog** - (Weblogs) - easily created, easily updateable Web sites that allow an author(s) to publish instantly to the Internet. They can be interactive allowing the audience of the blog to easily begin conversations or add to the information already published.
 - a. Free Blog site: <http://www.blogger.com>
 - b. Blogger help: <http://www.youtube.com/user/BloggerHelp>
 - c. Using a Blog - <http://introedtechnology.blogspot.com>
